

How does the Junior Golf Program work at Grayhawk Golf Club?

Here at Grayhawk Golf Club, we understand the importance of Junior Golf. We also understand that not all golfers have the same ability and that it is important to provide opportunities for junior golfers of all skill levels to learn the game of golf. From Spring to Winter, we offer a variety of ways to learn the game of golf through camps and leagues.

Whether your junior golfer is ready to play competitively on our Ping Junior Interclub team, or is just learning the game of golf in our Golf 1 camp, we have you covered!

JUNIOR GOLF CAMPS

Grayhawk Golf Club is devoted to growing the game of golf by providing many opportunities for aspiring junior golfers.

Spring & Fall Camps

Throughout the Spring and Fall seasons we offer our Golf 1, Golf 2 & Golf 3 camps. It is our vision that your junior golfer will gradually improve and advance between each level of camp. These camps run on a monthly basis on certain days of the week.

SPRING CAMPS

Spring camps run from February through April and take place on Tuesday & Wednesday evenings.

FALL CAMPS

Fall camps run from September through November and take place on Tuesday & Wednesday evenings.

Summer Camps

Summer Camps (8am-10:30am)

Throughout the Summer season we offer three (3) day camps. During these camps, junior golfers will receive instruction on every aspect of the game as well as etiquette and rules through a series of competitions and games.

Summer camps run from June through August and take place on Tuesdays, Wednesdays & Thursdays!!

Golf 1

(Tuesdays 4pm-5:30pm)

This camp is designed for the beginner golfer who is brand new to the game!

In Golf 1 our instructors will introduce the basics of the game while incorporating games and activities that will keep the juniors interested and excited about the game of golf.

Golf 2

(Wednesdays 4pm-5:30pm)

This camp is for the junior golfer who is ready to expand on their skills.

In Golf 2 our instructors will reinforce basic skills and dig deeper into the golf swing. Along with focusing on the swing, we will spend more time on the course and focus on scoring and the rules of golf.

Golf 3

(Wednesdays 4pm-5:30pm)

This camp is the newest addition to the Junior Golf Program at Grayhawk Golf Club.

This camp is designed for the experienced junior golfer. Our instructors will work with each junior golfer to create a more consistent swing and focus on the art of scoring. The majority of each day will be spent on the Golf Course focusing on course management and scoring.

PGA JUNIOR LEAGUE (AGES 8-13)

As your junior golfer progresses through each level of camp, they will have the opportunity to participate in the PGA Junior League at Grayhawk Golf Club.

Grayhawk Golf Club is home to our own league made up of junior golfers of all abilities. Matches & practices are held from April through June.

During the course of play, teams play four 9-hole matches in a popular two-person scramble format, reinforcing the team concept and creating a nurturing environment for learning the game.

PING JUNIOR INTERCLUB (AGES 12-18)

As your junior golfer 'graduates' from each level of camp to the PGA Junior league and beyond, we offer the opportunity to play a more competitive form of golf with our PING Junior Interclub teams.

The PING Junior Interclub (PJI) is a team-based tournament series for junior golfers (boys and girls, ages 12-18). Teams consist of 5-8 players and are formed by private, public and resort-style golf courses. Each team competes against other teams formed within a specific area.
