

We hope you enjoy our desert environment at Grayhawk.
We ask for your assistance in preserving the natural desert beauty.
Please be careful as you venture into the desert.
Since your enjoyment and safety are priorities,
we have established the following local rules.

USGA RULES GOVERN ALL PLAY EXCEPT WHERE MODIFIED BY LOCAL RULES

- Desert Rule — In order to preserve our desert's natural beauty and to provide relief for shots hit into the desert, the player may, under penalty of one stroke, drop a ball within two club-lengths of the point where the ball last crossed the grass line.
- Out-of-Bounds areas are clearly marked by white stakes or perimeter fences surrounding the course.
- Free relief may be taken from all staked trees and tree wells — one club-length, no nearer to the hole.
- Sprinkler heads are measured to the center of the green.
- Grayhawk Golf Club is conserving water. Our golf courses are irrigated with non-potable reclaimed water. Please do not drink irrigation or lake water.
